

Name: _____ Grade: _____

2023-24 WINTER TRIMESTER COURSE SELECTION FORM

Below are the course offerings for the 2023-2024 Winter Trimester.

To pre-register for a course, circle the title, and because we cannot always schedule every first choice, please label 2nd and 3rd choices. Your choices are not final commitments but are an important step toward building you an academic schedule. Please feel free to contact me before or after you've made your choices. I am happy to discuss our offerings and advise on what would be appropriate choices. For more information on the courses, see the descriptions that are provided in the Course Catalog which is available at www.solebury.org.

Students must carry at least 9 credits including an English course every trimester.

All courses are worth 2 credits per trimester except most Art, Computer, and Health classes which are 1 credit courses.

The number in parentheses beside each category below is the minimum graduation requirement for that subject.

<u>Arts</u> (6)	<u>English</u> (every trimester)	<u>Math</u> (18)	<u>Science</u> (12)	<u>Social Studies</u> (12)	<u>Computer</u>
